Untitled Canvas Book Series 1:7, 2017

Acrylic and pen on canvas, 23x30cm

DMo's paintings and video pieces are exhibited internationally and has used art and installation to aid charitable causes. DMo is also a producer, scriptwriter, writer, director, songwriter and poet. Her work across platforms is an evolving enquiry into universal connection and she often likes to expose internal landscapes via external design, storytelling, characters, poetics, etc. She has undertaken creative research residencies in Europe and continues to live, travel, experiment and create with the motto L.I.F.E. and art as one...
